LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 02-17

Dear Mr. Moulton:

As a result of inspections conducted on April 2, 2002, and April 3, 2002, the Department of Environmental Services, Waste Management Division ("DES") issued Letter of Deficiency No. WMD 02-17 to Moulton Construction, Inc. ("MCI"). Based on MCI's submittals in response to this Letter of Deficiency, and follow-up inspections by DES personnel conducted on June 5, 2002, July 2, 2002, July 12, 2002, September 3, 2002, and April 14, 2003, DES has determined that MCI has corrected the deficiencies identified in Letter of Deficiency No. WMD 02-17.

Please be advised that DES will continue to monitor MCI's compliance status and will take appropriate action should other violations be observed.

This letter does not provide relief for or otherwise address any other deficiencies that may now exist or that may arise.

If you have any questions regarding this Letter of Compliance, please contact Michael Galuszka at (603) 466-5389. We appreciate your cooperation in resolving this matter.

Sincerely,
